16.10.2. Bonus rules

16.10.2.1. A bonus is awarded the bonus balance.

16.10.2.2. When the wagering requirements for the bonus are met the bonus amount is transferred to the main balance and may be withdrawn at any time.

16.10.2.3. If the bonuses are abused by a user, Trickless N.V. has the right to use punitive measures towards him, namely: delete, decline all current bonuses and bonus winnings; to block the user's Account immediately. In that case, Trickless N.V. disclaims any liability for the withdrawal or compensation of the funds that had been on the Account before it was blocked.

16.10.2.4. Any outside bet spread combination on Roulette games covering 24 or more (64%) of the 37 unique number spots on the table. E.g. betting on Red and Black - covers 36 of the 37 possible outcomes - in this case all winnings and bonuses will be voided.

16.10.2.5. Using bonuses to play games with accumulated benefits over the course of game-play (Ex: Free Spins meters or other game features unlocked following some game-play) and coming back to the game following the zeroing-out of the wagering requirements to trigger or unlock the feature and collect the accumulated benefits or related winnings will result in all winnings and bonuses being voided.

16.10.2.9. All bonuses have an expiry date. The standard expiry date for bonus money is 30 days. The expiry date can differ for specific bonuses. In such an event, the expiry date will be indicated in the relevant bonus' terms and conditions. Betting requirements need to have been fulfilled at the expiry date. We may cancel or debit bonus credit from the player Account after the expiry date.

16.10.2.10. The standard betting requirement for casino bonus money is 30 times the bonus amount received.. This may differ for specific promotions provided that it is specified accordingly in the relevant terms and conditions.

The wagering requirements for each bonus are set out in the specific terms for the bonus and will be expressed as a multiple of the bonus amount, or of the bonus plus the deposit amount. The wagering requirement for bonuses will be set out in the terms specific to that bonus. Not all bets will count towards the wagering requirements. Bets on Blackjack, Roulette, Arcade games (Heads or Better, Dice Twister, etc.) Video poker games (Jacks or Better, Aces and Faces, etc.), Baccarat, Casino Hold'em, 2 Ways Royal, Craps and Sic Bo games contribute 5% of actual wagering on these games towards your wagering requirements.
